Re: Regional Training: Common Measures for Youth

In anticipation of and preparation for common measures that will be implemented commencing in Program Year 2008, you are invited to attend a training session on October 18, 2007. The *Common Measures for Youth* training is designed to provide attendees with a thorough understanding of the new youth measures, how they differ from previous performance standards, and the effect the new measures will have on program design and delivery. Attendees will have an opportunity to network and exchange information on steps they are taking to prepare for the new measures.

The Workforce Boards of Metropolitan Chicago have contracted with Ms. Lori Strumpf to conduct the training session. Ms. Strumpf has over twenty-five years in the field of human services and workforce development. Lori has been in business as Strumpf Associates: Center for Strategic Change for the last 20 years. She is a nationally known expert in organizational management and design/development of education and training programs.

Training will be conducted on Thursday, October 18, 2007 from 9:00 a.m. to 4:00 p.m., with onsite registration from 8:30 to 9:00 a.m., at the Doubletree Hotel located at 1909 Spring Road in Oak Brook. If you are interested in attending the training, please complete the attached registration form and return it to Jan Etzkorn, Regional Coordinator for The Workforce Boards of Metropolitan Chicago, at jetz66@aol.com no later than October 15, 2007. Advance registration is required; lunch will be on your own.

Space is limited; registrations will be accepted on a first come basis. There is no fee to attend the training session. A detailed agenda will be provided in advance of training.
